FORESTRY WORK

PERMANENT PLANTING IN PARKWAYS SOON TO BE UNDERTAKEN BY CITY

Mr. Merrick, City Forester, says that complaints have been voiced by some citizens because the trimming of street trees have been delayed, but it has been due to efficiency planning. Knowing that the brush would be needed for the protection work that is now being carried on in Verdugo Wash, it was deemed advisable to delay operations until the flood work was far enough along to make it possible to deliver the trimmings at the points where they would be used and thus save double handling. That stage has now been reached, and the forester's men are pushing their task with vigor.

The forester is making an urgent appeal to citizens to assist him in waging war upon gophers which frequently destroy trees of great value after they have received years of care. As an object lesson to the public he has placed on exhibit in the corridor of the City Hall one such tree taken from a parking on which all the roots to within about six inches of the trunk have been eaten off. If citizens will co-operate with the department by using gopher traps or poisons, when needed, they will not only protect their own frontage, but be rendering a public service in preserving the symmetry of the tree planting on our thoroughfares.

Mr. Merrick also states that the city will soon begin the planting of the trees which are to permanently adorn our parkways. These will be tap-rooted trees which will penetrate so deeply as not to interfere with cement sidewalks and curbing as do such surface-rooting trees as the peppers. The plan is to set these slower-growing, permanent trees between the temporary ones, that were set 50 feet apart with this plan in view and with the expectation that they would be removed. The temporary trees for the most part were the rapid-growing acacias. Four trees have been selected to supplant them, viz., the Camphor, Live Oak, Jacaranda and one of the varieties of locust commonly known as "St. John's Bread." The Jacaranda plantings will be confined to the upper sections of the city as that is a tender tree liable to be affected by frost.

DEATH OF GEORGE C. GOODMAN

George C. Goodman, who came to this city a few weeks ago and purchased the residence of Calvin Whiting at 342 West Lexington street, died there Wednesday morning, October 29, 1919, following an apoplectic seizure. He was sixty-five years of age and had been in delicate health for some time. He leaves a widow, a daughter ten years of age, Eleanor Goodman, and a son residing in Los Angeles. The body will be taken to Evanston, Wyoming, where deceased for many years carried on an extensive business as a lumberman and where he was prominent in business circles. He was distinguished in Masonic circles and a Knight Templar.

OLDEST MAGICIAN HERE

Harry Cook, president of the Los Angeles Society of Magicians and known as the oldest magician in the United States was in Glendale today visiting his friend, F. H. Roberts, of Roberts & Echols, who is a member of the same association. The Los Angeles Society of Magicians is made up of about fifty knights of legerdemain, who have been prominent on the stage but who have now retired or gone into other lines of work.

ROOSEVELT MEMORIAL

MR. BRALY STATES TIME FOR DRIVE HAS BEEN EXTENDED TO MONDAY

J. H. Braly reports that there is no flagging of interest in the drive for the Roosevelt Memorial Fund, which is now on in Glendale and when it is generally understood that the time has been extended to Monday there will be many additional subscriptions. For the convenience of the admirers of the great American, Theodore Roosevelt, who wish to have a part in this tribute, arrangements have been made with all the banks in the city to receive moneys for this purpose and Mr. Braly himself, as local chairman of the memorial, will receive donations at his home on North Brand. They will also be taken at the schools and churches. If all communities do as well as Glendale gives promise of doing, there will be a memorial worthy the man for whom it is to be erected.

TRUSTEES' MEETING

PACIFIC ELECTRIC PROMISES BOARD THAT SERVICE WILL SOON BE NORMAL

The regular meeting of the Board of Trustees was held October 30, 1919. The Board assembled at 7:50 p. m. All members were present. Minutes of the regular meeting of October 23, 1919, were read and approved.

A letter was read from H. B. Titcomb of the Pacific Electric Railway Company, Los Angeles, in answer to communication dated October 20, 1919, informing him of the resolution adopted by the Board of Trustees in regard to unsatisfactory service given by that company. Mr. Titcomb stated that the company is doing everything possible to return service as promptly as is consistent with safety, stating that it is the object of the company to please its patrons and that it hopes to have service returned to normal state very shortly. Communication filed.

A letter was read from R. L. McNitt, attorney for Harry A. Wilson, who is operating an auto bus line between Pasadena and Ocean Park, via Glendale, stating that this enterprise is operating under a temporary permit given by the Railroad Commission pending strike conditions upon the Pacific Electric Railway Company's lines, until the further order of the Commission. A motion was made by Trustee Shaw and adopted to the effect that Mr. Wilson be liable for the payment of a license as required by City Ordinance and that the city marshal be instructed to see that the same is paid.

An application was presented from J. D. Lundregan for permit to operate a one-cow dairy, which being approved by the milk inspector, was on motion of Trustee Henry granted.

On motion of Trustee Shaw it was ordered that bids advertised for furnishing the City Public Service Department with two automobiles be opened at this time. The following bids were opened, read and publicly declared: Bid of Ford Agency, Glendale, offering to furnish two new Ford runabouts for $1186.36, delivered in Glendale, delivery to be made at any time required by the city. Bid was accompanied by certified check of $118.64, being 10 per cent of the bid. Bid of Fish & Tarr, Chevrolet Agency, Glendale, offering to furnish the city one or more four-cylinder new Chevrolet 1920 model automobiles at the following figures: Tour-

Y. W. C. A. CONFERENCE

MRS. CHARLES H. TOLL REPRESENTS LOS ANGELES DISTRICT AT FRISCO MEETING

Mrs. Charles Toll, who has returned from San Francisco, reports a very pleasant trip and fine sessions at the conference she attended. It was one of eleven similar gatherings which are being held in different parts of the United States in the interest of the Young Women's Christian Association Work, and the center of interest at the conference was the group of young women sent out from the New York headquarters to present the plans, all of splendid personalities and fine speakers. This conference covered the Pacific field which includes California, Nevada, Arizona and the Hawaiian Islands. A few representatives of those Pacific Islands were there, forty or fifty from Arizona, twelve to fifteen from Nevada and the rest from California. They were divided into different groups of women: Business women, professional women, industrial girls, college alumni, under-graduates, and special delegates chosen from the different communities where Y. W. C. A. work is carried on. Mrs. Toll represented the Los Angeles district. The conference lasted three days and its purpose was to educate the women thus brought together in the work which has been done by the organization at home and abroad and the work it is planning to do. This for the purpose of bringing them into sympathy with its aims and to form a big promotion organization for the educational campaign now going on which will continue until the first of February. The speakers, particularly the New York women, had most interesting experiences to relate, Mrs. Toll says, notably Miss Harriet Taylor, who was in charge of Y. W. C. A. work in Europe during the war. She stated that at the close of hostilities they had more demands than they could possibly meet from various countries to establish "Y's" there which would train their native women to carry on the work. The Queen of Rumania made a spec-

GOVERNOR REFUSES REQUEST

DECLINES TO CALL SPECIAL SESSION TO CONSIDER ANTI-JAPANESE LEGISLATION

(Special Service to Glendale Evening News)

SACRAMENTO, October 31.—Governor Stephens issued a statement today refusing to call a special session of the legislature to consider anti-Japanese legislation as several organizations had requested.

WAR-TIME COAL REGULATIONS

PRESIDENT ISSUES PROCLAMATION RESTORING THEM —GIVES POWER TO FUEL ADMINISTRATOR

(Special Service to Glendale Evening News)

WASHINGTON, October 31.—The president today issued a proclamation restoring the war-time regulations on coal including the maximum price list and empowering the Fuel Administrator to make such other regulations as may be necessary.

COAL STRIKE IN OHIO

THIRTEEN HUNDRED MINERS QUIT AT ST. CLAIRSVILLE IN OHIO FIELD

(Special Service to Glendale Evening News)

ST. CLAIRSVILLE, Ohio, October 31.—The coal strike here has already started. Thirteen hundred men quit this morning and their leaders claim that 13,000 will be out tonight.

COAL PRODUCTION IN COLORADO

FOUR THOUSAND MINERS PRODUCING 30 PER CENT OF STATE'S OUTPUT EXEMPTED FROM STRIKE ORDER

(Special Service to Glendale Evening News)

DENVER, October 31.—Four thousand coal miners producing thirty per cent of the Colorado coal were officially exempted today from the coal strike order by their union officers because they have working agreements still in force.

Four hundred National Guardsmen fully equipped have been mobilized at Trinidad and five hundred at Golden in the heart of the coal region.

LABOR SECRETARY HOLDS OUT HOPE

HAS ASKED OFFICIALS OF UNITED MINE WORKERS TO RESCIND STRIKE ORDER AND CALL NEW CONFERENCE

(Special Service to Glendale Evening News)

WASHINGTON, October 31.—Shortly after President Wilson had issued his proclamation today restoring maximum prices for coal, Secretary of Labor Wilson announced that he had telegraphed to officers of the United Mine Workers of America asking them to rescind their strike order and to call a new convention to consider their demands. Wilson promised if they would do this that he would cause the mine owners to meet in the same convention city at the same time and that he would give his co-operation. Wilson also announced that a strike order had been rescinded which covered half of the Kentucky coal fields.

GOVERNMENT SECURES INJUNCTION

UNITED MINE WORKERS RESTRAINED FROM ORDERING STRIKE OR PAYING OUT STRIKE FUNDS

(Special Service to Glendale Evening News)

INDIANAPOLIS, October 31.—Federal Judge Anderson today granted the United States government a temporary injunction restraining officials of the United Mine Workers of America from ordering a coal strike, from issuing instructions to union members to continue a strike, or paying strike benefits from union funds.

After a conference with the executive board, acting president Lewis of the United Mine Workers announced that a strike would become effective at midnight in defiance of the court's order.

Assistant Attorney-General Ames who arrived this morning from Washington represented the government in securing the injunction. He declared that if the strike became effective the railroads will be unable to get coal, railroad operating revenues will be reduced with the result that inroads will be made into public funds, that it will be impossible to carry mail, commerce and the transportation of army units will be paralyzed, and there will be wide-spread suffering.

The court granted the injunction on the basis of the Lever Food Control law and on the act under which the government took control of the railways.

JAPAN RATIFIES PEACE TREATY

(Special Service to Glendale Evening News)

TOKIO, Japan, October 31.—The Japanese government today ratified the peace treaty with Germany.

NEW COMERS

REV. AND MRS. L. G. PARKER COME FROM MONROVIA— MAY MAKE HOME HERE

Rev. and Mrs. L. G. Parker and their two children are recent arrivals in Glendale and are sojourning at the California Apartments. The clergyman has just resigned the pastorate of the Christian Church of Monrovia and is closing out his work there. He is a nephew of Samuel Parker, of this city, and like our well-known citizen has liberal views in religion, believing, so he says, that denominationalism should be minimized and more effort be put upon the essentials of Christianity to which all can subscribe. To illustrate his idea he declared the armies of the Allies would never have achieved the success which was theirs had they struggled to maintain their separate entities instead of uniting as they did under the one leader, Marshal Foch. He has made no definite plans as yet, but says he may identify himself with the inter-church world movement. He and Mrs. Parker have put their children in school here and may remain for the winter.

THE P. E. SERVICE

G. A. Smith, general passenger agent of the Pacific Electric, declares that the time schedule of Glendale cars on the main has been restored to the fifteen-minute evening service and he promises that the East Broadway service will be correspondingly improved in the near future, and still commuters continue to complain and tell how they wait thirty to thirty-five minutes for cars to bring them home to their wives and dinners. But probably Mr. Smith is doing his best.

FUNERAL OF MRS. M. B. HARTMANN

A telegram has been received from Mrs. E. R. Lott, daughter of Maurice B. Hartmann, announcing that she is en route and will arrive at the Salt Lake Station in Los Angeles Sunday at 5:30 p. m. Funeral services over the body of her mother have therefore been set for Monday afternoon at 2:30 o'clock at the Little Church of the Flowers in Forest Lawn Memorial Park. Friends are requested to omit flowers.

M. E. CHURCH PARTY

YOUNG PEOPLE OF CHURCH ON CENTRAL AVENUE ENJOY HALLOWE'EN FROLIC

A very delightful party attended by seventy-five to one hundred young and old of the Central Methodist Church took place in its social hall Thursday evening when Hallowe'en was properly observed with strange costuming and fearsome masks, with games identified with the season when spirits walk, and with a round-robin of ghostly tales told in a shivery setting of dim lights and weird surroundings. All this took place, as stated, in the social hall, decorated with cornstalks, pumpkins and festoons of black and yellow, but a pretty annex was provided outside where a camp fire burned and a witch's hut was established in which extraordinary fortunes were told to those who desired a peep into the future. This part of the entertainment was in charge of the Sunday School class of girls taught by Mrs. Smith, the pastor's wife, whom some were able to identify with the witch.

Rev. Marion Smith, the new spiritual leader of the church, and Mrs. Smith express great satisfaction with their appointment. They lived for a time in Hollywood and had opportunity to make frequent visits to Glendale which they always admired without expectation of having the privilege of living here. They are ardent workers and are taking hold of the church affairs with enthusiasm. Mr. Smith states an orchestra under the competent leadership of Roger Baker, an ex-service man, who returned from overseas a few months ago to rejoin the bride he married while at American Lake, will be organized soon. The church is fortunate in possessing considerable musical talent and it is the expectation that the new orchestra will make its first appearance at church services November 8th.

Mr. Smith is also rejoicing in the prospect of a new church bulletin board, which will be hung under the arched window on the outside. It was ordered through Architect Arthur Lindley and is to be delivered the early part of next week. The pastor is counting upon it as an aid in keeping before his parishioners the activities of the church.

OFFICERS ELECTED

GLENDALE POST OF AMERICAN LEGION SELECTS ITS PERMANENT OFFICIAL BOARD

A meeting of the Glendale Post of the American Legion was held Friday night at post headquarters over the Bank of Glendale on Brand boulevard at which permanent officers were elected as follows:

Chairman, Dru Nicoles.

First Vice-Chairman, Robert C. Plume.

Second Vice-Chairman, Gordon A. Clayton.

Secretary, Carlton T. West.

Treasurer, Joseph Wilson.

Sergeant-at-Arms, Allen Bullis.

Executive Committee, Dwight W. Stephenson, W. B. Kelly, Richardson D. White, Jesse H. Flower, Dr. H. V. Brown.

A special meeting at post headquarters has been called by the chairman for next Monday night for signing the application for the charter to be sent to state headquarters. All ex-service men who sign this application will be enrolled as charter members of the national organization of the American Legion. Every ex-service man is therefore urged to present himself at headquarters Monday night for the few minutes necessary to attach his signature.

The committee in charge of the dance given at the Masonic Hall last Saturday night presented its report which showed very good returns. Plans were made to give monthly dances for the purpose of raising funds to furnish the post headquarters.

Vice-Chairman Plume states that at an early date a statement will be published setting forth what the American Legion stands for, its aims and purposes that the public may thoroughly understand the intent of the new organization.

COMMUNITY SING

The largest audience which has thus far assembled for a Community Sing this season, cheered the director Thursday night. Besides the local members, quite a delegation was present from Hollywood attendant upon Mrs. Carl Earl who was the soloist of the evening and was accompanied upon the piano by her mother, Mrs. Gates. She sang "One Day" and "Musette" from the Opera of La Boheme and then in response to prolonged applause sang the tricksy little encore song, "Kisses." She has a beautiful high soprano voice very true in pitch and the audience was delighted with her singing. A good many new faces were seen. Some who had never attended before, others who had been absent this season merely, but their enjoyment was obvious. No song books were on sale which was a disappointment to the bookless. A stock should be provided before the next Sing.

The Chorus began as usual with "America" and closed with "Star Spangled Banner." The numbers between were: "Love's Old Sweet Song," "How Firm a Foundation," "Last Night," "Drink to Me Only with Thine Eyes," "Tell Me the Old, Old Story," "Santa Lucia," "The Spanish Cavalier," "Sweet and Low," "Dixie Land," "Over the Summer Sea."

LIVE COLE CLASS

YOUNG PEOPLE OF CHRISTIAN CHURCH ENTERTAINED AT HOME OF MISS SHROPSHIRE

Members of the Live Cole Class of the Christian Church enjoyed a jolly Hallowe'en party at the home of the class president, Miss Birdie Shropshire on Everett street Thursday evening when not only the house, which had been beautifully decorated with Hallowe'en symbols in black and yellow was devoted to games and contests, but reinforced by annexes in the summer house and garage where fortunes were told by accredited seers, where charms were dispensed which would protect from the evil eye and which would insure smoothness in the path of true love. All the guests were appropriately costumed for the rites they performed, and in spite of their weird surroundings had healthy appetites for the Hallowe'en refreshments of doughnuts, coffee, popcorn balls, apples, etc., which were served at the close of the evening. This class which has an enrollment of between twenty-five and thirty young people and is taught by the pastor, Rev. Clifford Cole, who enjoys fun as much as his pupils do.

WEATHER FORECAST: Fair tonight and Saturday. Light to heavy frost in the interior.

GENERAL PERSHING'S RECOMMENDATIONS

ADVOCATES UNIVERSAL MILITARY TRAINING AND GENERAL MILITARY PREPAREDNESS

(Special Service to Glendale Evening News)

WASHINGTON, October 31.—General Pershing, appearing before a joint meeting of the Senate and the House Military committees, today advocated universal military training. He declared:

"Universal military training brings many benefits and such benefits should be universally extended to all our young men."

Pershing advocates a military program including: a permanent military establishment sufficient to repel any sudden attack; a small force necessary for expeditionary purposes especially on the American continent; a force sufficient to meet any internal disturbances; a trained citizens' reserve for war emergencies; a standing army of from 275,000 to 300,000 men.

General Pershing advocates military training, he says, because it would develop physical vigor, reduce illiteracy, develop the initiative of the men and make better citizens. He also advocates giving special attention to aerial development.

COTTON CROP CONDITION

CALIFORNIA AND ARIZONA MAKE FINE SHOWING AS COMPARED WITH GENERAL AVERAGE CONDITION

(Special Service to Glendale Evening News)

WASHINGTON, October 31.—The Department of Agriculture today reported the general condition of the American cotton crop on October 5 as 51.1 per cent of normal. The condition of the California crop is given as 93 per cent of normal, and the Arizona crop as 89 per cent.

20 miles to Klamath Falls, Oregon, which is the best live town in State. Fine improvements. Vacant. The right kind of a rancher could pay for this fine place in 10 years. Must have equipment and some little money—owner will assist. This is the best $25,000 proposition in U. S. and can be paid for in 10 years and will be worth $50,000. Come in and talk it over, as this is the best buy in U. S.

CERTIFICATE OF DOING BUSINESS UNDER FICTITIOUS FIRM NAME

The undersigned, hereby certifies that she is conducting business in the City of Los Angeles, County of Los Angeles, State of California, under the fictitious firm name and style of "Paulette Virginia;" that said business is conducted under said name at two establishments, to-wit., at the Alexandria Hotel, at 5th and Spring Street, Los Angeles, and at Room 416, Bumiller Building, at 430 South Broadway, and that said business so conducted at said places is that of the manufacture and sale of block hand painted negligee and lingerie and the manufacture and sale of art goods generally. That the fictitious firm of Paulette Virginia is composed only of the following-named person, who is the sole owner of said business, to-wit.:

Millicent Barry Davey, residence address Alexandria Hotel, Los Angeles, California.

IN WITNESS WHEREOF, I have hereunto placed my hand and seal at Los Angeles, California, this 2d day of September, 1919.

MILLICENT BARRY DAVEY.

STATE OF CALIFORNIA, COUNTY OF LOS ANGELES—ss.

On this 2d day of September, 1919, before me, Anna E. Bingham, a Notary Public in and for the County of Los Angeles, State of California, residing therein, duly commissioned and sworn, personally appeared Millicent Barry Davey, personally known to me to be the person whose name is subscribed to the within instrument, and acknowledgment to me that she executed the same.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my official seal in said County the day and year in this Certificate first above mentioned.

(Seal)

ANNA E. BINGHAM,
Notary Public in and for the County of Los Angeles, State of California.

Filed Oct. 22, 1919.

Turkish tobacco is being successfully grown in Butte and Placer counties. A yield of over a thousand dollars per acre is expected this year.

The wine grape crop in California this year is estimated at $25,000,000 exclusive of the land. Various methods are being used to utilize the crop,

CABLE CODES LAPSE

(By United Press)

SAN FRANCISCO, Cal., Oct. 31.—Effective tomorrow all cable code addresses will lapse, according to the announcement of the Postal Telegraph Cable Company.

Under the new arrangements all cable code addresses will have to be registered with the companies and a fee of $2.50 paid.

In announcing the change the cable company says so many addresses have been listed and allowed to drop into disuse that service has been retarded. The addresses must consist of two words of ten letters or less.

CALIFORNIA RICE

(By United Press)

WILLOWS, Cal., Oct. 31.—"Within the next five years, California will be producing over half the rice crop of the United States," was the statement of J. R. Leguenec, secretary of the Southern Rice Growers' Association, who has just completed a survey of California rice fields as the guest of the Pacific Association.

"She will jump ahead of Texas into second place this year and will outstrip Louisiana within a few years," he continued, "and the California yield per acre is fifty per cent larger than of any southern state."

CALIFORNIA FOREST SERVICE LEADS

(By United Press)

SAN FRANCISCO, Cal., Oct. 31.—The California District of the Forest Service leads all the United States Forest Service districts in amount of receipts for the September quarter, according to figures just given out by the headquarters in San Francisco. Out of the total of $511,466.49 receipts for the whole Forest Service, the California District was credited with $147. 995.

Twenty-five per cent of the district's receipts are to be returned to the state to be distributed among he counties containing National Forests. Ten per cent additional is used for construction of roads and trails in the forests.

SUNLAND

Mrs. Abrums of Eagle Rock was in Sunland over Sunday visiting her father, Mr. Horton, and getting her bungalow ready to rent, after it is vacated by Mr. Hood and mother.

Mrs. McNab and daughters left Monday for San Francisco with the view of making their home there, if they like it. But we predict they will soon return to Sunland.

Mr. and Mrs. Craig moved into Mrs. Abrums house Wednesday.

Mr. and Mrs. J. Monette and children of Seattle, who have been touring the east and stopped on their way home to visit Mrs. Monette's sister, Mrs. William Hoflinger, left Saturday for San Francisco to visit Mrs. Dr. E. Belt before returning home to Seattle.

Mrs. William Nance and daughter, Helen Elizabeth, spent the day, Wednesday, in Los Angeles.

Mr. Flintham, County Forester, was in Sunland Wednesday looking after the Park.

Mrs. Fred Herron gave a dinner Wednesday evening in honor of her daughter, Mrs. Comstock, it being Mrs. Comstock's wedding anniversary.

Mr. and Mrs. Rice of Sunland gave a Hallowe'en dance Thursday night at Bolton Hall, Tujunga.

George Hitchcock and Frank Mears was in Sunland Sunday looking after their ranches.

Died, at the home of her granddaughter, Mrs. Philips, in Los Angeles, Mrs. Juena Spencer, mother of our townsman, Joe Spencer. Mrs. Jueana Spencer was born at the San Gabriel Mission and was 96 years old at her death. She was buried at the Calvary cemetery Thursday, October 30th, at 1:30 p. m. She leaves three sons and one daughter and numerous grandchildren to mourn her loss.

Alfred Adams has a new Moreland truck.

The canning of peaches was finished Wednesday and a few tomatoes will be canned before beginning on the olives at the Adams Cannery.

George Huse has some fine buys listed for sale in Sunland and Monte Vista Valley. Anyone looking for homes would do well to see him at his office on Summit avenue, Sunland.

Hundred day wheat is now being successfully grown in Alaska. The wheat has been produced by Dr. C. C. Georgeson, director of the five agricultural stations in the Alaskan Territory.

LA CRESCENTA

The dance given by the La Crescenta Civic Committee last Saturday night was the most pleasant of the season. The refreshment booth was particularly attractive being presided over by Mrs. S. Goddard, who was assisted by Mrs. S. Young, Mrs. L. Bertram and Mrs. J. Swarthout. The next dance, a masquerade, will be given November 8th. Prizes will be awarded the best costumes. Fletcher's Orchestra of Pasadena will furnish the music as usual.

Mr. and Mrs. J. A. White and small children, who formerly lived in Glendale, have moved into the Jones place on Los Angeles avenue.

Mrs. Tomason of Tujunga and Professor Millett of Los Angeles spent a very pleasant day at the home of Mrs. H. E. Bruce, of Mayfield avenue, last Wednesday.

The dance, which was held at the auditorium last Saturday was a great success. A large number of outsiders were present, and all enjoyed themselves immensely.

Mr. and Mrs. J. Price have moved from La Crescenta and their daughter and son-in-law are now occupying their home on Mayfield.

Mrs. H. E. Bruce was delighted at receiving a letter from Mrs. Joe Thompson, last week. Mrs. Thompson left La Crescenta a short time ago for the east and she is now in Tionesta, Pa.

Mr. Carpenter has been working for Mr. Baldridge the past week.

Miss Jessie Conlin has been absent from High School the past week on account of illness.

Mrs. Miller spent a few days in Los Angeles last week.

Many people of La Crescenta are anxiously awaiting completion of their new houses. Workers are in demand and the new comers are looking for houses that cannot be found, houses to lease or houses to rent. It is expected that Mr. and Mrs. Swartz will soon be located in their new home on Prospect avenue.

No. B77727
ORDER TO SHOW CAUSE

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF LOS ANGELES.

In the Matter of the Application for Change of Names of Ingram Nathan Frank, and Helen Meikle Frank, his wife.

Upon filing the amended petition of Ingram Nathan Frank and Helen Meikle Frank, in the above entitled court this day, for the changing of the names of the petitioners from that of Ingram Nathan Frank to Ingram Nathan Franklin and Helen Meikle Frank to Helen Meikle Franklin, and good cause appearing;

All persons interested in the matter of the hearing of said petition, and all persons objecting to the changing of said names are hereby directed to appear in this court in Department 10 thereof on the 25th day of November, 1919, at the hour of 10:00 o'clock a. m., to show cause, if any they have, why the application should not be granted;

AND IT IS FURTHER ORDERED, That a copy of this notice be published for four successive weeks in the "Glendale Evening News," a daily newspaper, prior to the date of such hearing.

Done in open court this 24th day of October, 1919.

DANA R. WELLER,
Presiding Judge.

Date of first publication Oct. 25, 1919. 46t4Sat

CERTIFICATE OF BUSINESS

Fictitious Firm Name

The undersigned do hereby certify that they are conducting an automobile sales business at 201-203 S. Brand Blvd., Glendale, California, under the fictitious firm name of Bartlett & French, and that said firm is composed of the following persons, whose names and addresses are as follows, to-wit.:

Lanier Bartlett, 3200 West Adams St., Los Angeles, Cal.

James H. French, 3200 West Adams St., Los Angeles, Cal.

Witness our hands this 23d day of September, 1919.

LANIER BARTLETT,
JAMES H. FRENCH.

STATE OF CALIFORNIA, County of Los Angeles—ss.

On this 23d day of September, in the year nineteen hundred and nineteen, before me, Stella Smith, a Notary Public in and for said County, residing therein, duly commissioned and sworn, personally appeared Lanier Bartlett and James H. French, known to me to be the persons whose names are subscribed to the within instrument and acknowledged to me that they executed the same.

Witness my hand and official seal.

STELLA SMITH,
Notary Public in and for said County and State of California.

My Commission Expires April 24, 1922.

Sacramento county leads the state in pear production. This year's crop is well over $2,000,000.

Alaska has 64,000,000 acres of farming land.

WHY VOTE FOR THE WATER BONDS?

Amount of Bonds	$260,000.00
To be expended as follows:	
Pumps	$ 36,500.00
Reservoirs	48,000.00
Pipe lines	123,050.00
Wells	32,000.00
Additional Gravity Shares	10,000.00
Hydro Electric Plant	10,000.00
Bonding Capacity of Glendale	$1,200,000.00
Bonds Outstanding	494,250.00
Remaining Bonding Capacity	705,750.00

Because the present pumping, storage and distributing facilities of the Glendale Water System, ample for our needs five years ago when the City took over the plants of the various water companies operating here, are entirely inadequate now that the city has doubled in area and population.

Because it is unfair to the people who have come into the City by annexation or from other sections of the country and located here in good faith to fail to provide facilities for supplying water to every part of the city.

Because the proposed bond issue will not cost the taxpayer one cent. Every dollar spent for the purchase, improvements, extensions, betterments and maintenance of the Light and Water systems of the City of Glendale have heretofore been paid out of the revenue of the utilities. Interest on bonds and redemption of bonds have been paid from the same source. The proposed bond issue will be cared for in the same way.

Because the City Trustees are pledged to spend the amount asked for, 260,000, for certain improvements to the water system which they have itemized and made public.

Because you are loyal to Glendale and will not see her fail in such a crisis.

Personals

Mr. and Mrs. Frank Booth of this city spent Sunday in Van Nuys as guests of Mrs. A. D. Curtis.

Miss Alice Thomas, who has been living at 1016 East Broadway, moved Thursday to her old location at 615 North Louise street.

The Ross Construction Company has begun work on the construction of the Brand boulevard bridges across Verdugo Wash.

Pacific avenue residents are beginning to talk about paving the street and are calling for plans and specifications.

At the Municipal Employment Bureau in the City Hall complaints are made that not nearly enough workers are applying to fill the demand for household work.

Peter Ferry, the contractor, who is handling a big job at Wilmington, came up Thursday evening to attend the dance of the Catholic Club at Masonic Hall.

As Armistice Day—November 11th—is a National holiday, the city offices will be closed, probably the schools also, the banks and many other places of business.

Mrs. T. F. Higgins, Jr., was called to San Francisco last Saturday night by the sudden illness of her father who was thought to be dying, but he has rallied and is much better than when she reached his bedside.

Mr. and Mrs. William Farlander and children, Mr. Farlander's mother who has recently arrived in Glendale, Mr. and Mrs. A. S. Chase and children, enjoyed a picnic in Griffith Park Thursday.

Mrs. Nanno Woods has issued invitations for a reception to be given Monday afternoon, November 3d, at her home on Milford street. Mrs. Blake Franklin, Mrs. Delos Jones and Mrs. George Henderson will assist her in entertaining her guests.

Dr. J. F. West, City Superintendent of Schools in Pasadena, Mrs. West and her sister, Miss Gephart, of San Diego, were callers in Glendale today, visiting their old-time friends, Dr. and Mrs. C. M. Crist, of the First Methodist Church.

Hubert and Maynard Toll are to be guests at a week-end house party and Hallowe'en party at the Conejo ranch in Ventura county, this side of Oxnard. Quite a large company of young people will be entertained there.

Mrs. Charles Shropshire of Everett street is in receipt of a letter from her daughter, Grace Shropshire, telling of a very pleasant journey to Kansas, of the warm welcome she received and of the good time she is having there.

Wesley Bullis, of South Central avenue, who was taken suddenly and violently ill a few weeks ago and taken to the Glendale Sanitarium, has now sufficiently recovered to be moved to his home. He is able to sit up and seems to be well on the road to recovery.

Little Barbara King, daughter of Mr. and Mrs. Roy D. King, of 214 North Belmont, is entertaining quite informally a few little friends at Hallowe'en when they expect to dress up and bob for apples and wear masks and have a generally exciting time.

Edwin F. Hill, brother-in-law of Mrs. Frank Booth of this city, died suddenly of heart failure Saturday evening at his Los Angeles home, 2963 San Marino street. His widow left Thursday to accompany his remains to Red Wing, Minn., his old home where his son lives. Mrs. Hill made her home with the Booths in this city before her marriage.

MASONIC NOTICE

The stated meeting of Unity Lodge, No. 368, F. and A. M., will be held Tuesday, Nov. 4th, at 7:30 p. m. The Jinnistan Grotto Entertainers of Los Angeles will be present.

R. W. MASTERS, W. M.
A. W. TOWER, Sec.

Mrs. Alice J. Jones has sold her fine home at 215 West Elk avenue and she and her son, James R. Gager, have moved to Los Angeles. They regretted leaving Glendale very much. Chas. J. Perkins is the purchaser of their home.

Mr. and Mrs. Theodore Bloom of Osage, Kansas, are spending about two weeks in Glendale as guests of Mr. and Mrs. Warren Roberts and Mr. and Mrs. George Scott. After completing their visit in Southern California they will go home via San Francisco and Seattle.

Fourteen little folks had a jolly good time at a Hallowe'en party given Thursday afternoon by Mrs. Pierre Potter of 436 Broadway for her little daughter, Dorothy Potter. A pretty Hallowe'en setting was provided, Hallowe'en refreshments, and exciting Hallowe'en games and contests.

An event of interest to Masons in this city and elsewhere will be the celebration of the reopening of the Ridge Route between Los Angeles and Bakersfield, which will take place some time the latter part of November. Shriners of the two cities are planning a pilgrimage to mark the event. The resurfacing of the route is being done by the State Highway Commission.

Some of the ladies of the Glendale Presbyterian Church met at the home of Mrs. Roy D. King at 214 North Belmont street Thursday afternoon to sew for the Tooker Memorial Home in Oakland, for the Tucson, Arizona, Industrial Home, and for the Indian Wells Hospital in Arizona. They will probably have several more similar meetings before Christmas.

William Anderson whose home is on East Isabel street, but who is now harvesting a cotton crop on his Palo Verde ranch near Blythe, is quite set up over the compliments paid him by one of the big buyers who recently visited his ranch and told him he had the finest cotton in the district and who made purchases paying the top price. Mr. Anderson raises the short staple cotton, not the Sea Island variety.

John D. Dibbern, who was taken to the Glendale Sanitarium about two weeks ago is very much improved in health and will soon be well enough to go home. His son, Owen Dibbern, has recently been discharged from army service and has taken a position in Los Angeles. He was here on a furlough during September, but had to report to the army hospital in San Francisco again. He looks fine now and seems to be perfectly well.

The Women's Class of the Central Christian Sunday School is being entertained this afternoon at the home of the teacher, Mrs. Melville G. Musser, at 335 West Windsor Road, Mrs. C. F. Archer, president of the class, and Mrs. J. H. Daugherty being assisting hostesses. The program includes readings by Mesdames Mattice and Daugherty and music by Mrs. James McBryde. There will also be Hallowe'en stunts and light refreshments will be served.

DEATH OF MRS. VAN CAMP

Mrs. Luella M. Van Camp, who became a resident of Glendale a short time ago, died October 29, 1919, at the age of 51 years. She had been ill for many months and her death was not unexpected. Her husband, J. M. Van Camp, will accompany the remains to Mason, Michigan, where interment will take place, the Jewel City Undertaking Company making the necessary preparations.

CATHOLIC CLUB DANCE

A very delightful dance was enjoyed at the Masonic Hall Thursday evening by members of the Catholic Club and their friends. Apart from the regular pleasures of the party the event was of interest because announcement was made of the winners of the special prizes offered at the fair recently held by the Club at La Ramada. The victrola went to Mr. Maroney of Alhambra, who purchased the lucky ticket from M. J. Brennan who shares an office with him in Los Angeles. Miss Catherine Sisson won the lady's hat. The lady's wrist watch was won by Miss Irene Morgan of this city. Jesse Smith won the box of cigars.

Another name to add to the list of eminent authors of the country is Harris Contney, who was arrested at Calexico the other day charged with being the author of nine forged checks.

A Tender Roast

juicy and succulent with flaky potatoes roasted in the pan with the meat and all served with a rich brown gravy is considered by many people as the acme of a good dinner.

Beef and potatoes are plain, common foods but cooked and served in this way they form the foundation of a meal that can scarcely be improved upon.

But if your dinner is to be a success you must have a good piece of meat.

Phone Glendale 1230 for a Nice Roast.

TRUSTEES' MEETING

(Continued from Page 1)

ing car, $857.00; roadster, $835.00. On motion of Trustee Henry it was ordered that the bid of the Ford Agency to furnish the city with two new Ford runabouts for the Public Service Department be accepted; time of delivery to be determined by the city manager.

A communication was presented from W. J. Hibbert offering his resignation as a member of the Public Library Board. On motion of Trustee Jackson it was ordered that the resignation be accepted. Chairman of the Board submitted the name of Dwight Stevenson as a member of the Library Board in the place of Mr. Hibbert, and on motion of Trustee Woodberry the nomination of Mr. Stevenson was confirmed.

A letter was read from the City Manager in reference to a permit granted conditionally by the Board at its meeting of October 23, 1919, to construct a four-foot sidewalk on Columbus avenue between Stocker and Dryden streets. The city manager reported that he had informed the applicant for permit that he could not recommend that the permit be granted for a four-foot sidewalk but would recommend that a permit be granted to construct a five-foot sidewalk. On motion of Trustee Shaw the recommendation of the city manager was adopted. It was ordered that the permit granted previously by the Trustees to construct a four-foot sidewalk be, and is hereby revoked. On motion of Trustee Woodberry a permit was granted F. A. Tarr to construct a five-foot sidewalk on Columbus Avenue south of Stocker street.

The city manager presented a communication in reference to the work of the Welfare Bureau as provided for in Ordinance No. 320. He stated that representatives of the Tuesday Afternoon Club and the Federation of Parent-Teacher Association of this district desired to join with the city in work of general welfare. The representatives of these bodies requested that a local welfare worker be authorized by the city and that provision be made for paying the salary thereof in the sum of $25.00 per month. The city manager recommended that the director of the Welfare Department be authorized to appoint, subject to the confirmation of the Board of Trustees, the worker referred to, as an assistant to manage the affairs of the Bureau, and that the salary of such assistant be placed at $25.00 per month. City Manager further recommended that the appropriation for Welfare Work be increased from $300.00 to $400.00. On motion of Trustee Shaw the matter was referred to the Committee of the Whole.

The City manager also reported on various matters previously referred to him and recommended that a representative of the city meet with the Patriotic Committees of the several Parent-Teachers' Associations on October 31, 1919, at the Intermediate School with a view of arranging plans for appropriate observance of Armistice Day, November 11, 1919. He further suggested that all city offices be closed on that date. On motion the city manager was directed to represent the city at this meeting.

The city manager also reported on the proceedings of the Convention of the California Municipalities which he and other city officials had recently attended at Riversde. Among a number of interesting things mentioned by him as having been brought before the Convention was a presentation by him at that meeting of a paper on "The Advantage of Cities Doing Their Own Street Work." He stated in his communication to the Board that it would be greatly to the advantage of Glendale if a law should be adopted by the Legislature permitting municipalities to do street work; having particular reference to the fact that Glendale has twenty-five miles of pavement which consists of the natural soil mixed with asphaltic oil. Some of this pavement has been down for ten years or more and has served very well during that time, but the surface is now very rough and streets made in this manner should be reconstructed. It is not practicable however, for the city to do this work under existing laws. Another item of interest to the city was brought before the Convention in regard to construction and maintenance of highways for heavy traffic. City manager stated in this connection that the City of Glendale has within its limits over three miles of the San Fernando Road which carries a very large volume of heavy traffic and recommended that in order that the city might be informed as to what measure should be taken for the protection of this important highway, that an officer be stationed on this road for a period of one week, once every three months with instructions to gather data as to volume of traffic, weight of load, etc., which information it is necessary to obtain in order to have a thoroughly intelligent idea in regard to the subject. On motion of Trustee Shaw the recommendation of the city manager in regard to obtaining facts as to conditions on San Fernando Road was approved, and he was authorized to station a man on that thoroughfare as recommended by him and to secure an extra officer for this service if necessary; by the following roll call: Ayes, Henry, Jackson, Muhleman. Shaw, Woodberry. Noes, None. Absent, None.

The city manager recommended the transfer of $1000.00 from the Public Service Budget Fund to Insurance Reserve Fund as a return of loan. On motion of Trustee Shaw it was ordered that the transfer be made as recommended.

The city manager submitted the following appointments and requested their approval by the Board: W. G. Collins, as night patrolman, compensation $95.00 per month. L. Leppleman as utility man, compensation $4.25 per day. J. W. Gibson as lineman, compensation $5.25 per day. Denver Marquity, Donald Goode, Emil Keifer, volunteer firemen. On motion of Trustee Shaw recommendations of city manager in regard to appointments were approved.

The city attorney presented a letter from E. C. Johnson, city engineer of the Pacific Electric Railway Company in regard to a letter written by the city attorney in reference to instructions from the Board of Trustees of the City of Glendale to take up with the company the request of residents of Gardena avenue on the opening of that street across the right of way of the Railway Company. The communication stated that while opening this crossing would no doubt be a convenience to the residents of Gardena avenue who are comparative few in number, there is practically no local travel south of San Fernando road on the Pacific Electric, and the Glendale trains bound to Los Angeles after crossing said road become in effect high speed trains and the company does not deem that the advantage accruing to the few residents of that district would justify the extra hazard involved. No action.

The City Engineer presented a communication in regard to crossings and grades on the lines of the Pacific Electric Railway Company on Brand boulevard, accompanied by a map of the same.

City attorney made a report in reference to a deed made by the city treasurer for Lot A, Tract 927, to the effect that the same complies with the law, the matter having been referred to him. On motion of Trustee Shaw it was ordered that the deed referred to be accepted and recorded. On motion of Trustee Shaw the city attorney was instructed to prepare an ordinance covering opening of Columbus avenue through Lot A, Tract 927.

A communication was read from Mr. and Mrs. Jno. W. Usilton thanking the Board for its action in connection with the removal of a telephone pole in front of their home at 102 East Elk avenue.

Trustee Woodberry of the Committee on Public Works reported that he had seen Mr. Reagan, engineer in charge of the County Flood Control, who had assured him that the work on Verdugo Wash would be completed in time to take care of the coming winter rain.

Trustee Shaw presented the following resolution which was on motion adopted: That the city manager be instructed to prepare a list of such supplies needed for Municipal Improvement District No. 2, as can be purchased with the balance now in its improvement fund, with specifications of the kind and quality thereof. On motion of Trustee Henry, city marshal was granted a vacation of ten days.

Adjourned.

SOCCER BALL NEWS

TEAMS LEADING THE LEAGUE IN DIVISION TWO PLAY A "ONE ALL" GAME

Quite an exciting soccer game was pulled off on the Colorado School field Thursday afternoon between the teams of Pacific Avenue and Broadway. They are very well matched and play such a close game that the result of this event—a score of "one all" or 1 to 1, was no surprise to those who have watched their contests. Excellent work was done on the Pacific Avenue team by Louis Bauer, captain, and by John Copeland, William McClammy and George Butterly. Arnold Cushman, captain of the Broadway team, is showing up very well as a leader who holds his men well together. Others on the team who did creditable work were George Barlett, Wilford King and "Sleepy" Holton who waked up and played a good game. These two teams are leading the League in Division 2.

The standing of all the teams of the league has been reported as follows:

Division 1: Columbus Avenue 4 points, Intermediate Angels 3, Intermediate Tigers 3, Central Avenue 2.

Division 2: Pacific Avenue 5 points, Broadway 5 points, Cerritos Avenue 2, Colorado Street 0.

Two points are allowed for each game won. Every game tied counts one for each of the teams.

The director of athletics in the city schools, who is watching these games closely and sizing up the behavior of the teams says that of all the players engaged few do better than the Colorado Street boys, but they have to play against great odds as they are almost invariably matched with boys who are much larger. However, he predicts if they keep on doing as well as they are doing now they will surprise some of the teams sent against them by winning. He says that Central Avenue boys are also doing pretty well and if they will keep at it will win out.

Y. W. C. A. CONFERENCE

(Continued from Page 1)

ial trip to Paris to ask Miss Taylor to come to Rumania, and the President of one of the new republics came for the same purpose. She received appeals from Poland, Italy and other countries.

Miss Bertha Conde told of a year's residence in South America looking over the conditions among women there and her report was most enlightening. "I never would have believed," Mrs. Toll declared, "that the native women of that continent had so hard a row to hoe and were forced to live under a regime of three hundred years ago. Miss Conde said they are simply begging for help."

Mrs. Catherine Willard Eddy, who had made Japan, China and India her field of study, told of conditions among factory women and students in some of those countries and of the entreaties received from them for assistance to help them to get out of hard conditions.

Miss Louise Holmquist, who has the department of research and whose work has been confined to the United States, has been studying the work of the Y. W.'s in the various communities to see how it can be bettered, what if anything can be dropped and what taken up that will be more important.

The reports showed a great demand on the part of the United States government for this Y. W. work. The postoffice department, for example, is planning to make its postoffices in certain localities civic centers. It wants the assistance of the Y. W. in the effort.

All these enterprises will call for considerable money and the campaign has therefore been started to educate the general public to the need. The work of the association is entirely non-sectarian.

J. A. Hockett, instructor in athletics in the Intermediate School, has agreed to act as assistant Scout Master for Troop 4, which has been under the leadership of Mr. Blanford, Director of Athletics in the city schools.
